Dear Kindercourt Families,

We miss all of you, and we hope you are all staying healthy and well. We are continuing to monitor all of our governing agencies to see when it is safe to re-open Kindercourt. We are consistently receiving messages from our licensing agency and the health department. We feel it is safe to re-open the school when the “Shelter in Place Order” has been lifted and families are able to return to work. We sadly realize that this will not be Monday, April 6th as we had all originally planned. It is our hope the ban will be lifted sometime between April 20th and May 1st. Tuition will not be charged until school re-opens (the month of April will be prorated based on the number of days we are open).

Like all of you, we are working through new territory with the pandemic. We have spent the last two weeks working on a financial plan to retain our staff so that families can rely on the same quality experience when children return to Kindercourt once schools are back in session. We so appreciate your kind emails of support and concern for our staff and for our business. Thank you to those who have reached out to us, your generosity is heartwarming.

Again - With the information we have as of right now, Kindercourt Administration has made a decision to do the following:

- April 6 – April 10th School will be closed
- April 13th – 17th School is likely closed
- April 20th – May 1st –We are hoping the “Shelter in Place” order will be lifted and we can re-open at some point during these 2 weeks.

We will continue to monitor and evaluate the situation. Thank you as always for your continued support. Please direct any questions to us. We can be reached at admin@kindercourt.com

Sincerely,
The Kindercourt Administrative Staff
