Notes

Thank you for your interest in our schools. We look forward to having your child be a part of our Kindercourt family. Your \$250.00 registration fee will secure your child's name on our waiting list the Academy.

**Our new school year begins in June, as we are a year round school and not closed for the summer. We typically start most families between June 15<sup>th</sup> and August 15<sup>th</sup>, but we do have some availability throughout the year. We will let you know if an earlier space becomes available. Enrollment confirmations and start dates for our new school year are mailed out in the Spring.**

Please be aware that we fill our schools on a first come, first serve basis. Enrollment is based on space availability and age of the child. The more flexible you are with your schedule, the easier it is for us to accommodate your child.

When you register, please be ready to enroll your child when an opening becomes available. If we have a space for your child, but you are not ready to attend, you will stay on our list but lose your priority.

Again we look forward to meeting your family and having the opportunity to teach your child. We will contact you by phone when we have an opening for your child, and we will follow up with an enrollment confirmation by mail!
